

**FUEL RELATED RATE ADJUSTMENTS**

Fuel related rate adjustments will be reflected as a surcharge based on the percentages shown below and will be a separate line item on the invoice. The fuel surcharge will be based on the Energy Information Association (EIA) U. S. average (national) fuel index updated each Monday. The surcharge will be effective at 12:01 a.m. the next day (Tuesday) and apply to all shipments through 12:00 midnight the following Monday.

\*\*Add the following amount to the cents per mile if temperature control service is required.
